HARDY PERENNIALS

These desirable Hardy Plants give the Garden Picture color. From the early Spring with little tufts of blue and yellow of the Alyssum and dwarf Phloxes the showing continues with bolder masses of breathtaking beauty. Columbines, Bleedinghearts, Doronicums and others are followed up by the dazzling splendor of the newer Oriental Poppies, the Liliams and Hemerocalis, not overlooking the Delphiniums with their stately spikes and infinite tints of lavenders, rose and blues. Anemones, Asters, Chrysanthemums and Aconites are just a few more with which to build the undreamed of vistas with their irresistible appeal and splendor.

The stock offered are all field grown plants, strong, sturdy, healthy plants that will make a fine showing right after planting.

GRASS SEED

VAN'S THICK TURF. Our best mixture for a permanent lawn. This mixture can be used under average conditions on the whole plot, where one has sun and partial shade.

1 lb. 75c — 10 lbs. \$7.00 — 100 lbs. \$60.00

VAN'S ALL PURPOSE. This mixture is best suited for the lawn that does not have the best of care and is the playground for the youngsters.

1 lb. 65c — 10 lbs. \$6.00 — 100 lbs. \$55.00

VAN'S SPECIAL SHADE. This mixture is best suited for the difficult spots where it is hard to grow grass.

1 lb. 75c — 10 lbs. \$7.00 — 100 lbs. \$65.00

No Grass Seed will thrive where thick foliage prevents daylight from penetrating, and with rainy weather the dripping destroys the growth under such conditions. Where grass refuses to grow we have Ground Covering Plants that may do well. Inquire about this.
